# WINE LIST

## BY CLAIRE THEVENOT MS

*(Master Sommelier and Vins-Clairs Owner)*

"Great wines must taste of somewhere, not of something: shaped by the elements, crafted by artisans deeply rooted in their land and respectful of the environment.

The wine list at Emberwood shares the same principles and commitments as what is on your plate: honest, pure, bold, curious, local, and emotional.

We curated and focused our sourcing as close to us as possible within Europe with a few exceptional wines from stellar growers further afield.

Our home in the heart of Bath is a natural bond to the burgeoning English wine scene. This chapter, like every season and journey will be an ever evolving one, with the makers we meet along the way."
